BackPack Program

Dear Parents/Guardian,

Walpole Public Schools in collaboration with the Walpole Food Pantry is offering a **BackPack Program** during the 2020-2021 school year at Walpole Schools. The **BackPack Program** is designed to provide food to children that would benefit from supplemental nourishment over the weekend. The food is discreetly packed in the students' backpacks each Friday afternoon (or at the last day of the school week), ensuring that students are better prepared to learn the following week. There is **no cost** associated to participate in this program. Please consider your family's economic status to determine if the food assistance is needed by your child(ren).

If you are interested in participating in the **BackPack Program**, please fill out the information below. You can return it to your child's school or the School Nutrition Office located at Elm Street School.

Additional information will be provided once all applications have been processed.

****Applications will be accepted throughout the school year.**

Parent/Guardian (names): _____

Address: _____

Phone number: _____ *email:* _____

Child`s name: _____ *School:* _____

2nd child`s name: _____ *School:* _____
